## WHO

Whether you're a family of beginners, an experienced touring cyclist, or a club rider, the B&O Bicycle Tour is for you. It's not a race.

## WHAT'S FOR LUNCH

Listen to live music as you enjoy a fantastic BBQ lunch catered by Pit Stop Barbecue and Grill restaurant immediately after the ride. Finish off your lunch with a frozen treat from Schwann's Frozen Foods, free to all participants. Thank you to Aqua Systems for donating water and Piazza Produce for the fruit.

## SEE YOURSELF ON INSTAGRAM

During the ride, take pictures and post them on Instagram, #bobikeride. We will show the pictures on a continuous loop throughout the day back at the Lucas Oil Pavillion. You can enjoy them as you eat lunch and listen to music

## SAFETY

HCTDA's primary concern is the safety of participants. Therefore, bicycle helmets are required, and riders are expected to obey all traffic

regulations. Thanks to the Brownsburg Police and Hendricks County Sheriff Department for traffic control.

## DONATIONS

Consider giving a donation to the B&O Trail in addition to your ride

entry fee. We just completed 2 more miles of trail in 2017, including a bridge over White Lick Creek, a cross walk signal at Green Street, and a parking area at Green Street. With more funds, we can continue development to both the east and west. HCTDA is an IRS 501(c)(3) nonprofit, so your donation is tax deductible.

## REGISTER ONLINE

To help encourage you to register online, the processing fee has been reduced for this year. Register at [www.BOtrail.org](http://www.BOtrail.org)

## LATE REGISTRATION

You may register the day of the ride, but the fee increases (see registration form).

## T-SHIRTS

Souvenir T-shirts are available for an extra cost. For kids' sizes or larger sizes, write the size on the blank line labeled "other size".

# SPECIAL FEATURES OF RIDE

NEW THIS YEAR! Riders will start out “sprinting” down the world famous quarter mile drag strip at Lucas Oil Raceway. This is the home of the national drags. After exiting the raceway, all four distances will ride on the B&O Trail. The 10-mile route will cross the White Lick Creek bridge and make a U-turn on the trail. Other distances will ride to the end of the trail, exit the trail, and continue through the scenic farmlands of Hendricks County. Consider lingering a few moments at the bridge overlook to enjoy the view! As always, the B&O Bicycle Tour encourages families and novice riders, as well as experienced bicyclists, to enjoy the sport of bicycling. To make the ride family-friendly, there will be refreshment stops on all routes, even the 10-miler, and kids 12 and under are free! Each stop will feature homemade cookies, treats, and fruit, as well as plenty of water and port-o-lets. SAG vehicles will be roving the routes to assist with minor mechanical problems or fatigue. Route maps are provided by Roark Custom Titanium Bicycles.

Gear Up Cyclery will be on hand at Williams Park to answer mechanical questions and assist riders with pre-ride inspections. Riders will enjoy live music sponsored by Duke Energy as they eat a BBQ lunch from Pit Stop Barbecue and Grill (10:30 a.m. to 2:30 p.m.). Lunch is included with registration. At our biggest SAG stop in Maplewood, the Avon High School Jazz Band will liven up the refreshment stop with energetic music.

# TOUR DESCRIPTIONS

**10 miles** — For beginning cyclists and families: an easy-going, flat ride; you will “sprint” down the world famous drag strip. After exiting Lucas Oil Raceway, you will travel over four miles on the B&O Trail, taking in the murals in the Ronald Reagan Parkway tunnel and the new bridge over White Lick Creek. It returns the same route. There is a refreshment stop at the Rotary shelter about halfway through the ride.

**25 miles** — After sprinting down the dragstrip and exiting Lucas Oil Raceway, you will ride over five miles on the B&O Trail, viewing the murals in the Ronald Reagan Parkway tunnel and the beautiful White Lick Creek bridge. You will then ride on county roads to the SAG stop at Maplewood. Enjoy refreshments and live music before your return trip through the picturesque Hendricks County countryside. You re-enter the trail at the same spot you exited and return to Lucas Oil Raceway for lunch.

**45 miles** — This route starts out the same as the 25-miler. After leaving the Maplewood SAG stop, continue west to the SAG stop at beautiful McCloud Nature Park, provided by the Hendricks County Parks and Rec. You will encounter a few moderate hills near McCloud. Your loop takes you back to the Maplewood SAG for a 2<sup>nd</sup> visit, then returns you to Lucas Oil Raceway for lunch via the B&O Trail.

**62 miles** — Similar to the 45-mile route, plus some additional miles of picturesque farmland and another SAG stop in Jamestown.
